The Chinese University of Hong Kong
Shatin, NT, Hong Kong
• Founded in 1963
• Campus area: 137.3 hectares, **the largest campus in HK**
• Eight Faculties
  • Faculty of Arts
  • Faculty of Business Administration
  • Faculty of Education
  • **Faculty of Engineering**
  • Faculty of Law
  • Faculty of Medicine
  • Faculty of Science
  • Faculty of Social Science
Established in 1991 by Professor Charles Kao, Nobel Laureate in Physics 2009, “Father” of Optical Fiber Communication, former EE Dept. Chair, and President/Vice-Chancellor of CUHK

Six Divisions:
- Biomedical Engineering
- Computer Science & Engineering
- Electronic Engineering
- Information Engineering
- Mechanical and Automation Engineering
- Systems Engineering & Engineering Management

122 faculty, plus other instructors and lecturers
2,330 undergraduates (15% non-local)
1,000 postgraduates
- 50% research postgraduates
Division of Biomedical Engineering

- Biomaterials and Regenerative Medicine
- Biomedical Devices and Biosensors
- Biomolecular Engineering and Nanomedicine
- Medical Imaging and Informatics

www.bme.cuhk.edu.hk/ubme/v2/researcharea.php
• Artificial intelligence, machine learning and applications
• Database and information systems
• Rich media systems
• Theoretical computer science
• VLSI design and systems
• Networking, distributed systems and system security
• Computational biology and bioinformatics

www.cse.cuhk.edu.hk
Division of Electronic Engineering

- Image and video processing
- Digital signal processing & speech recognition
- Microwave and wireless communication
- VLSI & ASIC
- Solid-state electronics & nanoelectronics
- Photonics & optical communication

www.ee.cuhk.edu.hk
Division of Information Engineering

- Information and Coding Theory, Network Coding
- Network Theory, Network Economics, Internet and Applications
- Internet of Things, Cloud Computing, Social Networking
- Energy System, Power Grid Modernization and Optimization
- Cryptography, Security and Privacy in Cloud, Mobile and Online Social Networking services
- Multimedia and Big Data Processing and Analytics
- Wireless Communication and Networking, Optical Communication

www.ie.cuhk.edu.hk
Division of Mechanical & Automation Engineering

- CAD/CAM
- Virtual Reality
- Computational Intelligence and Intelligent Systems
- Quantum Computing and Quantum Information
- Innovation and Design
- Manufacturing
- Precision Engineering and Instrumentation
- Robotics
- Sensors and Actuators
- Smart Materials and Structures
- Structural and Materials Optimization
- Systems and Control
- Electrochemical Energy Conversion and Storage
- Energy Engineering
- Micro/ Nanoscale Heat Transfer and Fluid Mechanics
- Micro and Nano Systems
- Thermal Interface Materials
- Photovoltaics
- Combustion

www.mae.cuhk.edu.hk
• Decision Support Systems/ Management Information Systems
• Financial Engineering
• Machine Intelligence and Applications
• Resource Planning and Management
• Information Systems/ Database Systems
• Management of Information Technology
• Engineering Management
• Logistics and Supply Chain Management
• Operations Research/ Management Science
• Systems and Control
• Human-Computer Interaction and Data Analytics

www.se.cuhk.edu.hk
Established by the Hong Kong Research Grants Council (RGC) in 2009

For the best and brightest students from all over the world

A monthly stipend of HK$20,000 and a conference travel allowance of HK$10,000 per year for 3 years (RGC)

CUHK offers the same level of award at the 4th year for awardees with a normative study period of 4 years

All who are seeking admission as new full-time PhD students are eligible
The Hong Kong PhD Fellowship Summer Workshop at CUHK

- 5-day Workshop on CUHK scenic campus in July 2015
- Learn about the engineering PhD programmes at CUHK
- Research seminars on different disciplines
- Opportunity to have individual meetings with selected professors
- Admission interview
- Free accommodation, lunch, and HK$1,000 travel subsidy
The Hong Kong PhD Fellowship Summer Workshop at CUHK

• Meet our professors from all divisions at the welcoming banquet

• Campus tour and meeting with current PhD students to learn more about CUHK campus life

• Free time to explore Hong Kong

• Workshop Website: www.erg.cuhk.edu.hk/phdsummerworkshop

• Enquiry: phd@erg.cuhk.edu.hk
